WASHINGTON 25, D. C.

OFFICE OF THE DIRECTOR

25 April 1964

MEMORANDUM FOR ALL EMPLOYEES:

1. The 1964 Savings Bond Campaign, "Operation Security for 1964," will be conducted in the Agency, 11 through 22 May. The purpose of this campaign is to increase employee participation in the Payroll Savings Program.

2. When you invest in Savings Bonds you contribute directly to building the economic strength that our country needs. Bond dollars help protect our heritage while building your own financial security.

3. You will soon be asked to start buying or to increase your bonds through automatic payroll savings. I urge you to adopt this systematic savings plan not only to help our Government maintain a strong, stable economy but also to provide for your own important future needs.
